

14 May 2014

Dr. Takuro Muratani
Chairman,
Japan INTELSAT Club

Dear Dr. Muratani,

Thank you very much for your message which I received from Mr. Ildemaro Rueda of our organization. The Intelsat Retirees and Alumni Association (IRAA) is very pleased to learn about the Japan INTELSAT Club's interest in establishing a connection between our organizations for the exchange of information of mutual interest.

I understand that an IRAA Director, Mr. Alan Olson, has been working closely with Katoh Tadayoshi of your organization to arrange individual contacts between your members and their former Intelsat colleagues and friends. We are very happy to support their collaboration in this regard.

Also, if you would like to provide general information about your organization and the interests of its members to all IRAA members, we would be glad to publish your message in our forthcoming IRAA Newsletter which will be distributed in early September. Please provide any information you wish to share in our Newsletter to me, simon@bennettconsult.com with a copy to our Newsletter Editor, Jane Kinzie: janekinzie@aol.com.

In the interim, we will continue to work on establishing contacts for your members via Alan Olson, way2cool1x@comcast.net.

We wish you and your members success in all of your future endeavors and look forward to hearing about the shared memories of those in both of our organizations.

With best regards,

Simon Bennett
President
Intelsat Retirees and Alumni Association
